PREZ SAYS [Dick & Mary-Ruth Rathjen]:

- We are really getting close to time for our annual Luau dance. Once again we are asking our members for contributions of items that can be used for door prizes. They should be items in good condition that you no longer have any need for and that somebody else would want to have. Check around your home and see what you can find.
- We will also be asking each and every member to contribute \$10 for the raffle fund. This money will be used to buy great items for the raffle.
- Pam Billingsley is signing up members to bring food dishes (in aluminum pans) for the Luau. If you can help her it would be appreciated. See Pam at the weekly dances. She has a list of items that are needed.
- There are flyers available for the Luau. Distribute them any time you go to visit another club. I hope all members will come and help with the set up and during the dance. We should do everything to make our guests feel welcome and then we should dance and have a wonderful time.
